FAQ

Q1

I am a member who enrolled in a Select plan. Which doctors can I utilize?

Members who enroll in any of the 3 plans offered in the Narrow Network will only have access to providers in this network. If a member chooses to see a provider outside of the Narrow Network, then that claim will be processed at an out-of-network benefit level. A provider directory for Select providers can be found on-line. [Click Here](#)

Q2

I am a member who enrolled in a Premier plan. Which doctors can I utilize?

Members who enroll in any of the 11 standardized (Premier) plans can see any provider in the Premier network. A provider directory for Premier providers can be found on-line. [Click Here](#)
