Authorization (also referred to as prospective, concurrent review) is the process by which certain medical services or medications are reviewed for medical necessity against healthcare management or evidenced-based guidelines. To learn more, visit the Authorization section of the Provider Manual, Online Provider Portal or call 713.295.2295. For a list of Authorization requirements, download the Prior Authorization Guide: Prior Authorization Guidelines. It is on the secure Provider Portal.

Please note that payment is subject to the terms of the contract under which the Member is eligible to receive benefits. Member eligibility and benefits should always be verified in advance of providing service and authorization requirements followed.
