**UPDATES TO VACCINE ADMINISTRATION PROCEDURE CODE M0201**

**SUMMARY OF NOTIFICATION:**

**Key Details:**

Effective January 1, 2024, vaccine administration add-on procedure code M0201 may be billed in the home setting with the following procedure codes:

Procedure Codes						
90630	90636	90654	90655	90656	90657	90658
90660	90661	90662	90670	90671	90672	90673
90674	90677	90682	90685	90686	90687	90688
90694	90697	90723	90732	90739	90740	90743
90744	90746	90747	90756	90759		

M0201 will be payable as an add-on code if billed with any of these vaccines, along with the existing COVID-19 vaccine administration procedure code, if administered inside a client's home.

Managed care organizations (MCOs) must reprocess affected claims submitted with this procedure code and date of service on or after January 1, 2024. Providers are not required to appeal the claims unless they are denied for additional reasons after the claims reprocessing is complete. Providers may bill MCOs retroactively for procedure code M0201.

**Action:**

**MCOs must update their systems and processes to reflect code updates and inform impacted providers in the MCO's provider network about any code updates and reprocessing of claims.**

**We are including contact information as context for where the regulatory notice is coming from within the HHSC Operational Teams. Please do not reach out to the contact directly. Compliance will facilitate any necessary follow-up on behalf of the organizations.**
