

Attendant Compensation Rate Enhancement Program (ACEP)

The Attendant Compensation Rate Enhancement program is a voluntary program for HHSC contracted providers delivering community Care Services. Participating providers will receive an increased funding to incentivize increased compensation, including increases wages and benefits, for attendants.

Enhanced Program enrollment categories:

1. Individualized skills and socialization services (formerly day habilitation)
2. Non-Individualized skills and socialization services (formerly non-day habilitation)
3. Residential Services

Note: Annual enrollment period is from July 1, 2024 – August 15, 2024. This year's rate enhancement will be effective September 1, 2024.

Community will tie the attendant compensation rate enhancement rate add-ons to the appropriate fee schedule per participation levels.
