

SKILLED NURSING FACILITY COINSURANCE

8/22/2024

BACKGROUND

The MCO must pay HHSC's Medicare coinsurance obligation for a qualified Dual Eligible member's Medicare-covered stay in a skilled NF. The MCO is not responsible for HHSC's Medicare cost-sharing obligation for a Dual Eligible Member's Medicare-covered skilled NF add-on Services, which are Adjudicated by either HHSC's claims administrator or the Dual Eligible Member's Medicare plan, as applicable to the Member.

MCOs must inform Providers and Dual Eligible Members that all other Medicare cost-sharing claims are Adjudicated by the Member's Medicare Advantage Plan or D-SNP, or for Members enrolled in original Medicare by HHSC's claims administrator. MCOs must provide information about that process.
