2024-2025 COVID-19 VACCINES ADDED TO PHARMACY BENEFIT EFFECTIVE SEPT. 10, 2024

SUMMARY OF NOTIFICATION

The 2024-25 COVID-19 vaccines will appear on the MCO daily formulary file for Medicaid and CHIP as a payable pharmacy benefit effective Sept. 10, 2024.

KEY DETAILS

MCOs must cover the 2024-25 COVID-19 vaccine NDCs by Sept. 20, 2024. MCOs must ensure their PBM is reimbursing for both the ingredient cost and administration fee when processing claims for the 2024-25 COVID-19 Vaccines. As a reminder, these are no longer non-risk and MCOs may determine their own reimbursement rates.
