UPDATE: HHSC WILL NO LONGER COVER OXBRYTA PRODUCTS AS OF OCT. 17, 2024

BACKGROUND

On October 3, 2024, HHSC announced we would no longer cover Oxbryta products as of Oct. 10, 2024. The daily MCO formulary file did not correctly reflect the end date for these products. VDP revised the end date to Oct. 17, 2024.

KEY DETAILS

HHSC will remove the following Oxbryta products and their clinical prior authorization from all formularies as of Oct. 17, 2024. MCOs must remove these NDCs from their system by Oct. 17, 2024.
