PRIOR AUTHORIZATION UPDATES FOR MARKETPLACE AND D-SNP EFFECTIVE OCTOBER 1, 2025

SUMMARY OF NOTIFICATION

Below are upcoming updates to medication prior authorization criteria for Community Health Choice.

- On October 1, 2025, there will be an updated version of the Bevacizumab Medical Review Guideline in use for Marketplace and D-SNP plans.

KEY DETAILS

For an updated version of the policy, please refer to our [Community provider website](#) under the “Prior Authorization Requests: Essential Information & Supporting Clinical Documentation” section. The update is around approval of ophthalmic indications.
