

February 12, 2026

UPDATE TO "ADULT VACCINES ADDED TO THE PHARMACY BENEFIT EFFECTIVE FEB. 2, 2026"

BACKGROUND

On Oct. 13, 2025, VDP announced Feb. 2, 2026, as the implementation date for coverage of adult vaccines in the pharmacy benefit.

KEY DETAILS

VDP is delaying this due to technical difficulties and will communicate the new date in the coming weeks.
